MANY VARIETIES OF FRUIT ARE
PROCURABLE BY ALL
HOUSEKEEPERS.

Strawberries Rather Cheap, at the
Moment—Tomatoes Scarce and
Advancing—White Potatoes Have
Upward Tendency—Fish Variable.

Shopping in Honolulu offers quite a
problem to the average housekeeper
doing her own buying. Taking the ordi-
nary market stuffs there are at least
dozens of various places of different
character where the same goods can
be had and the problem of where to
find quality and price favorably com-
bined offers much food for specula-
tion. It generally happens that after
trying the stores kept by various na-
tionalities the housekeeper falls back
on the white man's store which is
found to be more reliable, and where
the ordering can be conveniently done
by telephone. Prices in these stores
are more or less uniform although it
will be found that some of the stores
quote their goods a little higher than
others.

Fruit at present runs somewhat as
follows: Bananas sell at 50 to 75 cents
a bunch. Cooking bananas some-
times higher, ranging from \$1.50 to
\$1.75 or even as high as \$2. Pineap-
ples are quoted at 10 to 30 cents ac-
cording to size and quality. Alligator
pears are not in season now but will
sell at three for 25 cents. Pears are
all imported from the Coast and range
from 5 to 10 cents each. Apples, also
imported, sell at two for 5 cents up to
10 cents each. Imported grapes cost
about 50 cents for a three-pound bas-
ket. Domestic grapes are sold at al-
most all stores for 15 cents a pound.

Strawberries are rather cheap. They
are generally packed in small tins of
which about seven are sold for a quar-
ter. Limes cost from 50 to 75 cents
per 100 or from 15 to 20 cents a dozen,
although the retail price is smaller at
some stores. Lemons range from two
to three for 5 cents. The price of wa-
termelon depends entirely upon their
size. They can be had from 25 cents
up to \$2. There are few or no musk-
melons on the market as they can
hardly be raised here on account of a
certain fly which spoils them during
their growth. Fresh figs cost about 5
cents a pound, less at some stores.

In vegetables, lettuce, parsley, mint,
watercress and the like are sold in
bunches at a uniform price of 5 cents,
but the size of the bundles varies at
different places. Cabbages range from
15 to 25 cents a head. Green corn is
sold from 20 to 25 cents per dozen and
cucumbers at 5 cents each or less. Spin-
ach is rarely found on the mar-
ket here. The tender tops of the taro
plants, what the natives call luau, is
sold under the name of spinach, how-
ever, and answers the same purpose.
Tomatoes are scarce at present and
bring 5 cents a pound. They will
probably drop to 3 cents a pound when
there are more on the market. Sweet
potatoes cost from 3 to 5 cents a
pound and Burbanks from 3 cents up-
wards.

The price of eggs hardly ever varies
much, generally selling at from 50 to
60 cents a dozen. Turkey sells at
about 15 cents a pound live weight
and 23 cents dressed. Chickens are
generally 75 cents each, while ducks
are comparatively cheaper. The price
of fish constantly varies and a price
can hardly be given. As fish are gen-
erally sold by slump. The price is
also dependant upon the size of the
catch, mullet for instance selling at
times at 2 for 25 cents while at other
times only one can be had for a quarter.

weeks' interval, the next concert will

ary 12, 1902, at the Capitol grounds.

LARGE BOND ISSUE.

The issuance of a million dollar
bond will be asked of the stockholders
of the Hawaiian Sugar Company at a
meeting which is to be held in this
city January 20th. The request comes
from an agreement made some
months ago whereby more lands would
be available for plantation purposes.
It is not expected that more than
forty per cent of the large issue will
be required for immediate use by the
plantation. The cash will be devoted
to the erection of about twelve miles
of flume and ditch. It is also believ-
ed that in the course of a few years
with the accession of new lands and
more water, the capacity of the mill
will necessarily be enlarged. The
bond issue is intended to cover all
such contingencies.

MISSIONARY WORK IN EAST

PASSENGERS ON PERU GO THERE

REV. J. EUGENE SNOOK BOUND
FOR MANILA, MR. LYONS
FOR CHINA.

Thirty Years' Labor Among Cele-
stials Shows Great Field for Chris-
tian Toil—Presbyterian Board of
Missions Sends Representative

Among the passengers for the Ori-
ent by the steamship Peru were Rev.
J. Eugene Snook and Rev. Mr. Lyons,
who are both on their way to the Ori-
ent to take up work in the mission-
ary fields there. Although they stayed
in this city only for one day both
these gentlemen expressed them-
selves as very favorably impressed
with this city and the many modern
improvements to be found here, which
were the cause of some astonishment
to them. While here they were the
guests of Mrs. Chapin, at Haalelea
Lawn.

Mr. Lyons is an old missionary
worker in China, where he has labored
for thirty years. He has acquired a
thorough knowledge of the Chinese
language, three or four dialects of
which he speaks with fluency.

Mr. Lyons was in China during the
Boxer troubles, but was at the time
staying in Luchow, in Central China,
at which point there were no distur-
bances. He stated last night that it
was his firm belief that these upris-
ings were permanently over. Mr.
Lyons had a year's furlough to the
States, and now returns to his old
quarters at Luchow.

Mr. Snook has never been in the
Orient before. He is going to Manila,
being sent there by the Presbyterian
Board of Missions. He will make his
headquarters in Manila, from which
point he will extend his labors to the
country south of that city.

Mr. Snook is a native of Michigan
and has been a pastor for three years
in Colorado and for two years in Iowa.
The sad bereavement of his wife and
only child, which took place a few
months ago, aroused great sympathy
among the ecclesiastical circles in the
East. Mr. Snook expressed himself
as exceedingly satisfied with his mis-
sion to the Philippines, where he ex-
pects to do good work.

Had a Good Time.

A. J. Snell wanted to attend a party,
but was afraid to do so on account of
pains in his stomach, which he feared
would grow worse. He says, "I was tell-
ing my troubles to a lady friend, who
said: 'Chamberlain's Colic, Cholera and
Diarrhoea Remedy will put you in con-
dition for the party.' I bought a bottle
and take pleasure in stating that two
doses cured me and enabled me to have
a good time at the party." Mr. Snell is
a resident of Summit Hill, N. Y., U. S. A.
This remedy is for sale by all drug-
gists and dealers. Benson, Smith &
Co., agents for Hawaii.

Brevities About Good FURNITURE

Christmas is a holiday cele-
bration of Christianity, but gift
giving is a heritage from the
ancients and is growing in favor
every year as the field for
choosing broadens. Combining
the two makes a most beautiful
custom and gives us opportuni-
ties to show our love and friend-
ships to a small degree by the
giving of pretty presents.

It is the function of this store
to assist in Christmas happiness
by beautifying the dining room
and our assortment of dining
room pieces was never more
complete than it is today.

There are new extension ta-
bles, new chairs, new china
cabinets, new sideboards, new
buffets, all in either beautiful
golden oak, in the rich dark
Flemish or in solid Mahogany.
There are rugs, curtains and
draperies to make the dining-
room a place of beauty on
Christmas Day.

Call and see what we have
to offer.

Mr. Merchant

Here is a proposition that will interest you:

We are installing a new ARC LIGHT in business houses
at a small cost.

These are the best ever used, and give a steady, brilliant,
and penetrating white light.

Five times the amount of light for the same money as
the incandescent.

MR. W. H. SMITH, Manager of the Manufacturer's
Shoe Co., has had them installed in his store and says "they
are the best lights we have ever used and I take pleasure in
recommending them."
